

S O L V E R O

Rosé

2 0 2 2

GARNET VALLEY, SUMMERLAND

TASTING NOTES

Made with 100% Pinot Noir this dry Rose is delicate in colour with beautiful aromatic and flavour intensity. Juicy strawberry, raspberry and pomegranate satisfy the nose. While the palate is fresh with rose petal fragrance on the finish.

VINIFICATION

Pinot Noir from our Stag and Big Rock blocks on our Garnet Valley vineyard were hand harvested in mid-October and gently destemmed. The must was carefully assessed for flavour, colour and tannin during this phase of skin contact and after 3 hours the juice was pressed off the skins. The wine was then cool-fermented to dryness in a mixture stainless steel and neutral French oak.

FOOD PAIRINGS

Our favourite food pairings include Rotisserie chicken, pizza margherita, fish tacos and baked brie. Also a delightful aperitif.
